

Name _____

River Adventure Answer Key

1. afternoon
2. boat
3. beam
4. float
5. stream
6. cheer

Teacher's Guide

- This worksheet supports students in using **meaning clues plus vowel team recognition** to complete cloze sentences.
- Read the passage aloud first to build comprehension before students choose words.
- Provide cut-out word cards for students who need hands-on support.
- For enrichment, ask students to write one new cloze sentence for a partner using a vowel team word.
- Extend the activity by having students underline the vowel team inside each completed word.
