## Rainy Day Sail Answer Key

Vowel team words in the passage may include:

**rainy, day, Jay, Mae, play, game, boat, water, rain, waves, gray, boat, float, way, cheer**

Students may choose any two correct vowel team words for the final response.

### Teacher's Guide

- This activity helps students **recognize vowel teams within connected text**, not just in isolation.
- Have students highlight instead of circle for fine motor differentiation.
- Struggling readers can read the passage aloud with a partner before hunting for vowel teams.
- Challenge advanced students to sort their vowel team words by spelling pattern such as ai vs ay.
- Extend the lesson by having students write one new sentence using two vowel team words from the list.
