

Name _____

The Quiet Pond Answer Key

Students should underline these vowel team details:

1. **trail**
2. **stone**
3. **dragonfly**
4. **joy**

All written answers should match the underlined information.

Teacher's Guide

- This worksheet helps students connect **vowel team decoding with locating key story details**.
- Model how to look back in the sentence to find the exact word that answers the question.
- For differentiation, allow students to answer orally and point to the underlined word.
- For enrichment, have students write one new question about the passage that can only be answered using a vowel team word.
- Extend the lesson by creating a class list of all vowel team words found in the passage.
