Teacher's Guide

- **Skill Focus:** Students apply vowel-team knowledge by choosing the correct word with ai, ea, oa, ee, or ie to complete a meaningful passage.
- **Teaching Tips:**
 - Preview the word bank first and have students read each word aloud.
 - Encourage students to reread the completed paragraph to check for meaning and fluency.
- **Differentiation Ideas:**
 - Provide picture cues for each word in the bank.
 - Let advanced students write an additional sentence that includes two more vowel-team words.
 - For extra support, allow students to circle the vowel teams in the bank before filling in the blanks.
- **Engagement Strategies:**
 - Have students highlight all the vowel-team words after completing the passage.
 - Allow partners to compare answers and explain their choices using evidence from the text.
