Vowel Team Tale Readers

Directions: Read the paragraph. Answer the questions and underline all vowel-team words (ai, ea, oa, ee, ie).

Each spring, a small team of students helps clean the wide beach near their school. They pick up leaf piles, sweep the long road, and watch a seal float close to the boat ramp. One student brings a pie to share, and another leads the group in a short train of games before they leave. Everyone agrees it is a sweet way to learn and help their community.

1. Where do the students go to help clean?

2. What animal do they see near the water?

3. What treat does one student bring?

4. What activities do the students do while visiting the area?

5. Write two vowel-team words you underlined.
