### Teacher's Guide

- **Skill Focus:** Reinforces students' ability to choose between *who* and *whom* in complex sentences involving **prepositional phrases** and **relative clauses**.
- **Differentiation Tips:**
  - Encourage students to test their answers by substituting *he/she* for *who* and *him/her* for *whom*.
  - Offer visual sentence breakdowns (subject vs. object) for students who need grammatical structure support.
- **Engagement Idea:** Turn this into a team-based quiz show. Read each sentence aloud and let teams "buzz in" with the correct pronoun, earning points for correct answers and quick explanations.
- **Extension Activity:** Have students write three of their own tricky *who/whom* sentences using prepositions, then trade and quiz a partner to test their understanding.
