Teacher's Guide

- **Skill Focus:** Builds high-level grammatical reasoning by testing students' ability to analyze sentence structure, relative clauses, and implied subjects/objects when choosing between *who* and *whom*.
- **Differentiation Tips:**
 - For developing learners, have them use the substitution trick: replace the pronoun with *he/she* (for *who*) or *him/her* (for *whom*).
 - For advanced learners, challenge them to explain their logic for each level in a "grammar breakdown" statement.
- **Engagement Idea:** Turn the worksheet into a live class "game show." Read each question aloud, have students hold up cards labeled *Who* or *Whom*, and keep score to crown a "Grammar Champion."
- **Extension Activity:** Encourage students to create their own Level 5 challenge questions using multi-clause or embedded sentence structures that would even "stump" an expert.
