Teacher's Guide

- **Skill Focus:** Helps students distinguish between *who* as a **subject pronoun** and *whom* as an **object pronoun**, improving sentence structure accuracy.
- **Differentiation Tips:**
 - Offer a quick test: replace the blank with *he/she* or *him/her*. If *he/she* fits, use *who*; if *him/her* fits, use *whom*.
 - Provide a mini-review chart of pronouns before the activity for students needing extra support.
- **Engagement Idea:** Have students act out selected sentences dramatically, pausing before the blank to let classmates call out the correct pronoun.
- **Extension Activity:** Challenge students to write a short mystery paragraph using both *who* and *whom* correctly at least twice each.
