Teacher's Guide

- **Purpose:** This worksheet builds students' understanding of **major World War I figures, alliances, and events**, reinforcing key facts through a quick comprehension check.
- **Differentiation Tips:**
 - For younger or developing readers, read each statement aloud and pause to discuss difficult terms such as "Armistice" or "Allied Powers."
 - For advanced learners, have them **explain why** each false statement is incorrect.
 - Provide visuals (maps or leader portraits) to support comprehension of key figures and nations.
- **Engagement Ideas:**
 - Create a "True or False Relay" where teams race to answer correctly.
 - Encourage students to correct false statements to make them true.
- **Extension Activities:**
 - Have students research one WWI leader (e.g., Woodrow Wilson, Kaiser Wilhelm II) and share one new fact.
 - Connect this activity to the **end of the war and peace negotiations**, discussing how leaders shaped the world that followed.
