### The Other's View

**Directions:** Read the scene below. Identify the minor character. Rewrite the scene from that minor character's point of view, using pronouns and details that show their perspective.

*Mira rushed across the courtyard, clutching her sketchbook as the first drops of rain began to fall. She did not notice the groundskeeper standing by the tool shed, watching the dark clouds gather above the school.*

Rewrite the scene so that **the groundskeeper** becomes the narrator. Keep the same events, but change how they are described through this character's eyes.
