Real-Time Notes

Directions: Choose a real location around your school such as the hallway, the cafeteria, or an outdoor spot. Observe for two to three minutes. Record precise, observable details in the log below. Then use your notes to write a polished descriptive paragraph.

Setting description (Where are you? What is the space like?)

People and actions (Only write what you see.)

Sounds you notice:

Objects, textures, and movement:

Notable details (anything unusual, small, or easily overlooked)

Draft Your Paragraph: Write one descriptive paragraph using your notes. Focus on vivid word choice, precise verbs, and concrete details. Continue your writing on the back of this sheet.
