

Name _____

Tiny Wonders

Directions: Look closely at one small thing around you. It could be something you spot in the classroom, something in your bag, or something outside. Answer the guiding questions, then write one sentence that tells what makes your small thing interesting.

Look and Notice: Answer the questions below about the tiny thing you choose.

1. What small thing did you notice?

2. What color or colors do you see?

3. What shape or pattern do you notice?

4. What is one special or surprising thing about it?

Write Your Final Sentence: Use your answers above to write one clear, descriptive sentence that tells what makes your small thing **interesting**.
