Build-A-Scene Writing

Directions: Think of a real scene you observed. It can be something you saw at school, at home, outside, or in a movie or show. Look back in your mind and remember what you saw. Fill in each word bank with strong describing words. Then use your word banks to plan a descriptive paragraph.

Write one sentence telling what scene you are remembering:

Build Your Word Banks

| Colors you noticed: | Textures you noticed: | Actions you noticed: |
|---------------------|-----------------------|----------------------|
| 1. | 1. | 1. |
| 2. | 2. | 2. |
| 3. | 3. | 3. |
| 4. | 4. | 4. |

Use Your Words: Write three sentences using words from your lists to help you build a descriptive paragraph later.
