

Name _____

Clear Observations

Directions: Read each telling sentence. Rewrite it so it *shows* what is happening by describing what you would see. Use clear observations about actions, expressions, movement, or details.

Example: Telling sentence: She was nervous.

Showing sentence: Her hands kept twisting the end of her sleeve and her foot tapped against the floor.

1. Telling sentence: The boy was bored.

Showing sentence:

2. Telling sentence: The dog wanted to play.

Showing sentence:

3. Telling sentence: The classroom was messy.

Showing sentence:
