

Name _____

Orchard Surprise

Directions: Read the passage. Be a **detail detective** and circle **YES** or **NO** for each statement.

Sam and Ava visit an apple orchard on a cool fall morning. They pull a red wagon between the trees and pick shiny green apples. A scarecrow with a blue hat stands near the fence. The children count five apples in their wagon. When they are done, they sit at a wooden table and sip cold cider.

1. Sam and Ava go to an apple orchard.

YES NO

2. The wagon is red.

YES NO
