Teacher's Guide

- Preview key **vocabulary** like parade, porch, and flags before reading.
- Model how to reread a sentence to check whether a statement matches the passage.
- Offer sentence pointing for emerging readers to help them locate evidence in the text.
- Allow partner reading for students who need support with decoding.
- Provide an extension by asking students to draw their own mini parade and write one Yes or No statement for a classmate.
- Encourage engagement by having students use two different colors to circle YES and NO consistently throughout the worksheet.
