Fix It for Real: The Apology Repair Plan

Directions - A real apology does more than say, "Sorry." For each situation, complete all four repair steps.

A. Name the harm - What did you do?

B. Take responsibility - No excuses or blaming.

C. Repair the damage - What can you do to help make it right?

D. Change next time - What will you do differently?

1. The Group Chat Screenshot - You took a screenshot of a private message from Cam and posted it in another group chat. Other students began making jokes about it.
