## Blend And Picture Matching Answer Key

1. gift – picture of the present with the purple ribbon
2. lift – picture of a ski lift
3. raft – picture of a wooden raft with oars
4. soft – picture of a soft white bed with pillows
5. drift – picture of a red car drifting

### Teacher's Guide

- Use this activity to reinforce visual recognition paired with **-ft** final blends. Encourage students to say each word aloud after matching.
- Provide **picture cards** for students who need hands-on support. Let them sort cards into -ft and not -ft piles before matching.
- For extension, have students brainstorm new -ft words and draw their own mini pictures for a class chart.
- For additional challenge, cover the word list first and have students guess the -ft word that fits each picture before revealing the choices.
