Teacher's Guide

- Begin by previewing each **-ft** word with students. Say the words aloud and have students repeat to strengthen phonemic awareness.
- Provide picture cues for students who need additional support. They can match each picture to a riddle before writing the word.
- For an extension, encourage students to write their own simple **-ft** riddles and read them to a partner or small group.
- Keep engagement high by turning the riddles into a class game. Read a riddle aloud and let students hold up the correct **-ft** word on a word card.
