Lt End Sentence Builders Answer Key

Answers will vary. Sentences should show correct usage of the chosen **lt** word and should form a complete thought.

Teacher's Guide

- This activity supports grades 1-2 in combining **phonics knowledge** with early writing skills by using **lt** words in original sentences.

- Review the word list with the class before writing. Clarify meanings of less familiar words such as pelt or wilt to ensure accurate sentence creation.

- Provide sentence starters for students who need extra structure. Example: I put salt on my... or The ice will melt when...

- For extension, encourage students to illustrate one of their sentences or challenge advanced writers to use two **lt** words in one sentence while keeping it clear and correct.
