Teacher's Guide

- This activity is ideal for grades 1-2, combining **final consonant blend** practice with early comprehension skills.
- Read the story aloud first for emerging readers, then have students reread independently to find **lt** words.
- Allow students to use highlighters or colored pencils to visually mark words with the **lt** blend.
- For extension, challenge students to rewrite one sentence from the story using a different **lt** word or ask them to draw the setting to reinforce story understanding.
