

Name _____

Lt Blend Meaning Clues

Directions: Read the passage. Use context clues to figure out the meaning of each **-lt** word. Write what you think the word means.

Leah packed a warm felt hat into her bag before she left the house. The snow was starting to melt in the sunlight, leaving little puddles along the sidewalk. For lunch, Leah added a pinch of salt to her soup so it would taste better. She walked slowly, trying not to slip on the wet steps.

1. What does **felt** mean in the sentence?

2. What does **melt** mean in the sentence?

3. What does **salt** mean in the sentence?
