

Name _____

Lt Blend Meaning Clues Answer Key

1. Felt means a thick, soft material used for clothing or crafts.
2. Melt means to change from solid to liquid when warmed.
3. Salt means a white, grainy seasoning used to add flavor to food.

Teacher's Guide

- Use this worksheet to help grades 1-2 practice using **context clues** to determine the meaning of new or familiar **lt** words.
- Read the passage aloud first to support developing readers, then guide students to examine nearby words that hint at meaning.
- Encourage students to underline the clues that helped them decide the meaning, such as warm hat or sunlight.
- For extension, have students write their own short sentence using one of the **lt** words in a different context or draw a picture showing what one of the words means.
