## Mp Word Sort Answer Key

### Real Words:

lamp

jump

bump

camp

temp

### Silly Words:

zamp

mamp

remp

slamp

wump

### Teacher's Guide

- This activity supports students in distinguishing **real -mp words** from playful nonsense words, strengthening phonics pattern recognition.
- Read the list aloud first and have students repeat each word so they can hear whether it sounds familiar or not.
- For differentiation, provide a small picture reference for real words or let students sort with physical cards before writing answers.
- Extend learning by having students create their own silly -mp words and then circle one real -mp word and use it in a sentence.
