## Rhyming Mp Pairs Answer Key

- camp → lamp
- bump → jump
- stomp → clamp
- jump → bump
- lamp → camp

### Teacher's Guide

- This activity builds phonological awareness by helping students connect **ending sounds** in -mp words through rhyme.
- Read each list aloud and have students repeat to hear matching vowel and final blend patterns.
- For differentiation, provide picture cues for real rhyme pairs or let students clap out the beats to feel the matching sounds.
- Extend the lesson by encouraging students to invent a silly rhyming pair using an -mp word, or have them sort rhyming pairs into groups based on vowel sounds.
