

Name _____

Context Clue Find

Directions: Read the paragraph. Use context clues to decide what each **-nd word** means. Then answer the three questions.

Tara walked across the soft sand near the pond as the morning wind blew gently past her. She held a map in her hand and looked for a clear spot of land where she could eat her snack. When the wind picked up again, Tara used her hand to keep the map from bending too much.

1. In the paragraph, what does **sand** mean?
 - A. A tall tree
