

Name \_\_\_\_\_

## St Ending Meanings Answer Key

1. nest
2. fast
3. past
4. rest
5. last
6. most
7. list
8. best

### Teacher's Guide

- Read the word bank aloud together before students begin to ensure familiarity with all **-st** words.
- Encourage students to reread each definition and test out a few words from the bank before deciding on the best match.
- Support emerging readers by modeling how to match meaning clues with familiar vocabulary.
- For extension, have students write their own kid-friendly definition for one **-st** word or illustrate two of the completed matches to reinforce understanding.
