

Name \_\_\_\_\_

## Ending Blends Sort Answer Key

**-st words:** best, fast, most, past

**-nd words:** hand, sand, band, send

**-mp words:** jump, camp, lamp, stump

### Teacher's Guide

- Provide a quick review of final blends by saying each blend aloud and having students echo the sound.
- Encourage students to tap or stretch the end of each word to hear the final blend clearly.
- For students who need more support, read the words aloud while they follow along by pointing to each syllable or sound.
- To extend learning, have students write simple sentences using one word from each blend group or brainstorm additional **-st**, **-nd**, and **-mp** words as a class list.
