

Name _____

Spot The St Words Answer Key

-st words: rest, last, most, fast, nest, past, west, cast

Teacher's Guide

- Begin by practicing the sound of **-st** aloud. Have students echo the sound and feel how the blend is produced at the end of the word.
- Encourage students to run a finger under each word as they read it, focusing especially on the ending sound.
- For students needing more support, read the words aloud together and stretch the final sound to help them hear the **-st** clearly.
- To extend learning, invite students to write two new **-st** words or illustrate one of the circled words to reinforce meaning.
